United Water of New Jersey

The Town of Kearny is in the process of replacing many of its recreational area identification signs. The new signs represent our community's image in a positive and eye catching manner. The signs are in the official Town colors, bears the Town Seal, and identify the location and the sponsors of the sign.

We are in the process of seeking sponsors for the remaining Riverbank Park locations on Passaic Avenue. Signs by Lynn, a local vendor manufactures the signs to the Town's specifications. The cost of the sign is \$1,650. If we can provide you with any additional details or information on the signs, please feel free to contact my office at 201-955-7400, ext. 1003.

Thank you for your consideration.
