

ATTENTION RESIDENTS

LATEX PAINTS WILL **NO** LONGER BE ACCEPTED DURING THE HOUSEHOLD HAZARDOUS CLEANOUT. YOU **MUST** DRY OUT THE CANS WITH CAT LITTER UNTIL THE PAINT IS **FULLY** ABSORBED AND IN A SOLID STATE WHICH THEN CAN BE DISPOSED OF IN REGULAR GARBAGE.

ALKALINE BATTERIES **CAN** NOW BE THROWN OUT IN REGULAR GARBAGE AS THEY NO LONGER CONTAIN LEAD.

RECHARGEABLE BATTERIES **WILL** STILL BE ACCEPTED DURING THE HOUSEHOLD HAZARDOUS CLEANOUT, HOWEVER YOU **MUST** PUT TAPE OVER THE CONTACTS ON THE BATTERIES AS THEY CAN EXPLODE AND CAUSE A FIRE.
